Villa Milano, Columbus, Ohio

***Arrival* from Sweden is the world's most popular and bestselling ABBA show band. Since the start of 1995, the production has toured over 60 nations and appeared in TV and radio shows all over the world. They have done 50 tours in the USA since 2005 and have played with over 60 symphony orchestras worldwide since 2007!**

***Arrival* from Sweden has the exclusive rights to copy ABBA's original outfits and permission to trademark ABBA in their production name **ABBASOLUTELY** - permitted by Universal.**

This 12-piece band (including some original members of ABBA's band) will take you back to the '70s as they re-create the appearance of the original stars that defined pop music. Authentic costumes, entrancing dance numbers and impeccable harmonies all come together to create the ABBA experience, live on stage.

***Arrival's* tongue-in-cheek retrospect of supergroup, ABBA, includes the four main band members, plus six side musicians & three female back-up singers. The group transports the audience back through the years while singing and dancing all of the ABBA favorites like *Fernando*, *SOS*, *Mamma Mia*, and *Waterloo*. The band doesn't just perform songs popularized by the musical "Mamma Mia," but re-introduces the audience to some of Abba's less well-known songs like *Tiger*, *So Long*.**
